DANCE ON SQUARE

COBURNS ACT ANCIENT CUSTOM IN COURT YARD THIS NOON.

TONIGHT'S PLAY AT 8

C. D. Coburn Tells Normal Students Drama Should Be in University Curriculum.

Several hundred persons gathered at the west side of the court house this noon to see the Coburn Players give their Morris dances. Dressed in quaint costumes, with bells on their ankles, in their strange dances and with their simple folk-songs, they made an unusual sight on the streets of Maryville.

Their performance probably was without meaning to some, but it was a re-enactment of the ancient ceremony of "crying the banns," a custom used by the theatrical troupes of olden times when they need protection from the populace.

Upon arrival in a town of a theatrical troupe the members' first care was publicly to proclaim themselves in the market place the servants of the great lord whose coat of arms they displayed on their cloaks and banners. Possibility of the whipping post thus depleted, the next object was to attract a crowd to the forthcoming performance.

Their method of advertisement was rudimentary but effective. The crier proclaimed the intention to present a play, naming the play and its character. The two banner bearers in alternate stanzas recited briefly the story of the play. The crier announced the time and place of performance, and added a more or less glowing panegyric on the merits of the players.

The minstrels and dancers of the company concluded the proceedings with songs and dances designed to whet the appetites of the spectators for the actual performance to come.

In the performance of the Coburns this noon a crier announced in the intervals between dances and songs the three plays that they will give here, "Taming of the Shrew" this afternoon, "The Merchant of Venice" at 8 o'clock tonight, and "As You Like It" at 3:30 o'clock tomorrow afternoon. Preparations are made to give the plays in the Normal auditorium should storms prevent the giving or finishing of a performance out of doors.

C. D. Coburn, manager of the company, gave a talk this morning during the assembly hour at the Normal school. He presented his idea of the drama and the place which it holds as an educational factor.

"Plays are written to be acted," said Mr. Coburn, "and the chief value of a play is in the acting."

He went on to say that we, as a nation, have the wrong conception of a theatre—merely a place to pass away a few hours. The old Greek theater was their university. The drama and the theater, Mr. Coburn declared, should be a part of every state university's curriculum today, and should be endowed by the states.

S. S. BALL LEAGUE REORGANIZED.

Officers Elected at Meeting Sunday—Will Arrange Schedule Next Tuesday.

Representatives from the Maryville churches met Sunday afternoon to reorganize the Sunday School Base Ball league. L. M. Eek was elected president of the organization and Walter Wray secretary and treasurer. A meeting will be held Tuesday night to arrange a schedule for the summer.

In addition to the five Protestant churches of Maryville, Harmony church will be in the league, and the Methodist church of Pickering may join.

The persons who met yesterday afternoon were Rev. S. D. Harkness, Rev. R. L. Finch, Roy Curfman, Orlo Quinn and Walter Wray.

Millers Leave for Extended Trip.

Mr. and Mrs. George Miller of Sabetha, Kan., who have been in Maryville the past two weeks assisting in the work at the new Haines store, which opened June 6, left Sunday for a trip of several weeks via Chicago to the northern lakes, after which they will return to their home.

Prof. Westbrook to Columbia.

Prof. W. M. Westbrook, superintendent of the city schools, will leave Monday night for Columbia, to take a special course at the university this summer.

Elmore Frank and Harvey McClary spent Sunday visiting friends in St. Joseph.

UNION SERVICES BEGIN JULY 19.

Program for Combined Sunday Evening Meetings of Maryville Churches.

At a meeting yesterday afternoon the ministers of the Protestant churches of Maryville made out the program for the Sunday evening union meetings. These meetings will begin July 19 and continue for five Sundays, the two Sundays during Chautauqua coming between the fourth and fifth Sundays of the meetings.

The services this summer will be held in the Franklin school yard, instead of the court house yard, as last year. Each of the five ministers will preach once. The school yard is to be fitted with a platform, seats and electric wiring to make everything comfortable and convenient.

The program as made out is:

July 19—Preacher, Rev. S. D. Harkness of the Presbyterian church; choir, Baptist.

July 26—Preacher, Rev. Gilbert S. Cox of the First Methodist church; choir, Presbyterian.

August 2—Preacher, Rev. L. M. Hale of the Baptist church; choir, Christian.

August 9—Preacher, Rev. R. L. Finch of the Christian church; choir, Buchanan Street Methodist.

August 16 and 23—Chautauqua.

August 30—Preacher, Rev. J. D. Randolph of the Buchanan Street Methodist church; choir, First Methodist.

A free will offering will be taken each evening to defray the expenses of the meetings.

JOHN M. NEAL DEAD.

Funeral Services of Old Settler Held Monday Afternoon.

The funeral services of John M. Neal, one of the best known residents of Polk township, who died Sunday morning, were held at 2 o'clock Monday afternoon at the Buchanan Street Methodist church, conducted by the pastor, Rev. J. D. Randolph. The pall bearers were Elias Orear, A. T. Stinson, James Bryan, Floyd Brown, Frank Mathes and J. H. Thorpe. The body was interred in Oak Hill cemetery.

Mr. Neal was a member of a family which is among the first settlers of Nodaway county, and whose men have been well established in the upbuilding of the country.

He was born in 1838 in Ohio and came with his father, Henry Neal, to this county when quite a boy. The family settled on a farm north of Maryville, which includes the tract of ground surrounding Neal's lake. This farm later became the home of John Neal, and he and his family lived there until a few years ago, when he came to Maryville and purchased a residence at 722 North Walnut street.

Until a few months ago Mr. Neal enjoyed good health and was able to actively look after business interests. At that time his health began to fail and he declined gradually until his death, early Sunday morning.

Mr. Neal was twice married, his second wife, who was Miss Ellen McClurg, surviving him. He leaves six children, Charles W. Neal of Pickering, John Neal and Mrs. Charles Gatton of Arkansas, Mrs. Alvin Pride of near Maryville and Melvin and Beulah Neal, who live at home.

MISS ANTHONY TO NEW YORK.

Domestic Science Teacher of the Normal Will Take Special Study This Summer.

Miss Hettie Anthony, head of the domestic science department of the Normal, has been granted leave of absence for the last half of the summer term and will spend the time in New York, doing advanced work in nutrition under Dr. Sherman of Columbia university, New York City. Miss Anthony will go with a party of friends from California, who will stop here enroute to New York.

Miss Jessie Mutz, who is a graduate of the home economics department under Miss Anthony, will take up the work in the absence of Miss Anthony. Miss Mutz has been teaching the past year at Hanford, Cal., and has been reemployed for the coming year at an increased salary. She will also be given an outdoor school room in which to teach and will be given extra apparatus and all magazines and books needed have been allowed by the board for the coming year.

Miss Mutz will arrive in Maryville Saturday.

Judge Sayler Away.

Judge J. H. Sayler left Monday morning for Spring View, Neb., to look after some business interests.

Week End Guests.

Mr. and Mrs. Robert Beattie of Rea, returned to their home Monday, after a week-end visit in Maryville with Felix Grundy and family.

800 LISTEN TO FATHER GROWNEY READ HIS FIRST MASS.

NEPHEW GIVES DINNER

Many Relatives and Friends Welcome Father Growney at Public Reception in the Evening.

An audience of nearly 800 persons gathered at St. Patrick's Catholic church Sunday morning to attend the celebration of high mass, when the Rev. Father Lawrence Growney conducted his first religious service.

Relatives and friends from all over Nodaway county were present at the service, which began at 10 o'clock. Assisting the Rev. Father Growney were the Rev. Father Niemann, resident priest of St. Patrick's parish; the Rev. Father Robert Graham, who was ordained to the priesthood June 10 at the time Father Growney was ordained; Father Althons, Father Stephen and Father Frowin of the Conception church.

After the church service a dinner was served in the parish hall, to which 250 relatives and friends were invited. The dinner was given by Philip Growney of Clyde, an uncle of the Rev. Father Growney, in honor of his nephew. After the dinner the afternoon was given over to a reception, and congratulations and felicitations from the entire company were given to Rev. Father Growney.

The occasion was one of great moment to the people of St. Patrick's parish. Father Growney is a former Maryville boy, a son of P. L. Growney and a nephew of John Murrin of this city. He was ordained to the priesthood June 10 at Conception church, with an elaborate service that was attended by hundreds of people.

In the evening a public reception was given Father Growney which was attended by 500 friends. The children of the parish gave a short program and ice cream and cake were served to all.

Among the out-of-town relatives and friends attending were: Mrs. Katherine Welch of Oklahoma City, Okla.; John Owen Murrin of Atchison, Kan.; Mr. and Mrs. R. G. Cornelius of Des Moines, Ia.; Miss Mayme Gallagher of Minneapolis, Mr. and Mrs. John Parle of Fort Dodge, Ia.; Mr. and Mrs. Ed Allen, Maurice Egan and family, Robert Graham and family, Mrs. George Graham and family and Mr. and Mrs. Thomas Merrigan of Clyde, Mr. and Mrs. Charles Barmann of Arkoe, William Corcoran and family, William Merrigan and family, John Growney and family, Mr. and Mrs. Philip Growney, Lawrence Growney and family, Mr. and Mrs. Michael McGuinn and Mr. and Mrs. James McCann and family, all of Clyde.

Home From Hospital.

Miss Wilma Mills of Skidmore, who was operated on a couple of weeks ago at St. Francis hospital, is much improved and was removed Saturday to the home of Mr. and Mrs. L. P. Colvin.

Is Arrested for Disturbing the Peace.

Glen Evans was arrested this morning on a charge of disturbing the peace and using bad language.

COUNTY SCHOOLS

NODAWAY IS AT FRONT IN EDUCATIONAL MATTERS.

IS FIRST IN NUMBER

State Superintendent's Report Gives Figures For Year Ending June 30, 1913.

The sixty-fourth report of Missouri public schools has just been completed and sent out by State Superintendent William P. Evans. The report is for the year ending June 30, 1913, and it shows Nodaway county and Maryville to be well toward the front in school matters. Among other things the county is first in the number of schools with 167, fourth in number of approved schools, with 18.5 per cent of them approved, and twenty-second in school attendance, which is based on the enumeration.

In the apportionment of state school funds Nodaway county received a total of $21,110.17. Of this, $1,120.71 was for the aid of rural schools, $1,860 for unconditional aid to high schools whose work is not yet approved. This money will not be released until their work is approved. The rest of the fund is divided between the teachers and attendance quota.

The Maryville high school is in the first class. Last year the city enumeration was 1,212, and the enrollment was 927. The total days' attendance was 130,065, and the average daily attendance 722. The libraries of the city schools total 3,050 volumes, valued at $2,200. The high school library contains 1,750 volumes. The estimated value of school sites and buildings is $150,000, and of equipment $12,000. The assessed value of taxable property amounted to $1,790,000.

For the entire county the enumeration last year was 7,959. The total receipts for the year were $218,460.59. The expenditures were: Teachers' wages, $133,120; incidentals, $25,901.83; building purposes, $13,682.29; total, $172,704.12. This left a cash balance of $45,756.47 on hand July 1, 1913.

The assessed value of taxable property was $16,301,112. The average levy was 64 cents on each $100 of valuation.

The estimated value of school sites and buildings was $415,000; the grand total of receipts was $201,625, and the grand total expenditures $156,696.

The two wealthiest districts in the county were No. 82 and No. 83. The former had a valuation of $142,720 and a 40-cent levy, while the latter had a valuation of $120,875 and a 50-cent levy, and the second had a valuation of $35,269 and a 65-cent levy.

Mrs. Harper Ill.

Mrs. Arch Harper of North Main street was taken very seriously ill Saturday and was removed from her home to St. Francis hospital Monday morning. Her condition is very critical.

College Boy Home.

John Owen Murrin, who is attending college at Atchison, Kan., spent Sunday visiting his parents, Mr. and Mrs. John Murrin, and attending the reception given at St. Patrick's church Sunday to his cousin, Rev. Father Lawrence Growney.

FLAG DAY PROGRAM PATRIOTIC.

Audience Fills Empire Theater to Hear One of the Best Memorial Services Ever Given by the Elks.

The Elks' Flag Day program yesterday was attended by a large audience and was one of the best memorial services the lodge has ever held.

The Empire theater was filled, and the children, who had been given a special invitation to attend, packed the balcony. The Elks, D. A. R. and G. A. R. attended in a body and sat in sections reserved for them. The Maryville Concert band, lodge officers and speakers on the program were seated on the stage.

The theater was decorated with flags, the national and lodge colors, and elk heads, and the stage was banked with flags of all sizes. As the persons entered the theater they were given small American flags as souvenirs.

The program was given as arranged. The band played national airs, and the audience sang patriotic songs. George R. Ellison gave the record of the American flag, and George L. Wilfley gave "The Elks' Tribute to the Flag." The Rev. Robert L. Finch, pastor of the First Christian church, made the address of the afternoon. It was a patriotic speech concerning the flag and its meaning.

The program was closed with the singing of "America."

ALL STARS WIN, 11-3.

Even With Company F by Taking Second Game—Large Crowd Attended.

In the second game between the two teams, the All Stars won from Company F at Riffe's park yesterday by a score of 11 to 3.

The game was close and fast for the first six innings. The score then was 3 to 3. Then the All Stars got three men on bases and the next batter hit a long drive down the right field foul line. It was a close decision and the umpire called it fair. This let in four runs for the All Stars, and Company F went up in the air.

The rest of the game was rather loosely played and ended 11 to 3 in favor of the All Stars. A crowd of some 250 watched the game.

The feature of the day was Palmer's catch of a line drive off short and double play to first.

The batteries were. Company F, Palmer, Teaford, Howery and Wilson; All Stars, Ham and Crowder.

BURLINGTON JUNCTION WINS.

Maryville Pirates Lose Sunday by a Score of 4 to 3.

The Maryville Pirates lost a 4 to 3 ball game at Burlington Junction yesterday. The first four innings were fast and scoreless. Then Darling, with a three-base hit, brought in two runs for the Pirates.

In their half of the fifth inning Burlington Junction tied the score. The Pirates made their last run in the seventh on Tilson's single. The features of the game were five fast double plays, two by the Pirates and three by Burlington Junction. The score:

	R.	H.	E.
Pirates	11	3	3
Burlington Junction	7	3	4

Batteries—Pirates, Darling and Wiles; Burlington Junction, Hollister and Hankins.

ASSISTANT DISTRICT ATTORNEY.

David J. Howell, Former Maryville Resident, Receives Appointment in Wyoming.

REVERSES CASE

K. C. COURT RULES IN FAVOR OF MARYVILLE IN COX SUIT.

AFFECTS SEVEN OTHERS

Lawyers For Defense Have Not Yet Decided Whether to Carry Proceedings Further.

The Kansas City court of appeals, by a unanimous decision Saturday, reversed the decision of the Nodaway county circuit court in the case of the city of Maryville against John B. Cox et al. The case was for the enforcement of the payment of six paving bills against the Cox residence property, two lots, on East Second street. By the ruling of the appellate court, Mr. Cox must pay the bills. Seven other suits against property on the same street which are pending in the circuit court, will, by stipulation of the attorneys for both sides, be settled by the result of the decision in the Cox cases.

The attorneys for Mr. Cox have not yet seen the text of the appellate court's decision, and until they do they will not decide whether to accept it or carry the case further.

The city council, after passing the necessary resolutions and ordinances, on August 31, 1905, let a contract for the paving of Second street to J. C. Likes. He constructed the paving and it was accepted by the council August 27, 1906.

Filed for an Extension of Time.

John B. Cox then filed for an extension of time in the payment of the assessments against his property. Three bills against each lot, due at the end of the first, second and third years respectively, were made by the council. They were not paid, and one day before the legal time limit was up, a year from the date on which the last bill was due, the city of Maryville filed a suit against Mr. Cox.

The case was tried in the February, 1911 term of court before Judge A. B. Davis of Chillicothe, Judge Ellison having disqualified himself. It was continued until August 19, 1911, when Judge Davis decided in favor of the defendant. The plaintiff appealed to the Kansas City court of appeals and the case was argued there during the March term of court this year.

Court Reversed Decision Saturday.

Last Saturday the judges gave their decision. They reversed the circuit court's decision in six of the seven grounds alleged by the defendants as making the tax bills invalid, deciding them in favor of the plaintiff. The seventh, which was "That the curbing was not finished with a coat of neat cement, troweled and finished to a uniform surface and color throughout," the court found in favor of the defendant and ordered the items for curbing struck out of the assessments.

The assessment for curbing amounts to $20.63 against each lot, and the property owners will be relieved of that much of the bill, making the amount they will have to pay to the city $147.72 on each lot.

Besides the seven cases which will be decided by the result of the Cox cases, a number of other cases on this street and others probably will be decided because of the result of the same cases, as the questions controlling them are the same, and the proceedings are in the same form.

This is the third time that suits contesting the validity of paving bills have been brought up in Maryville. The first suit was in regard to the paving of Buchanan street, and it was decided in favor of the tax bills. The second suit arose over the paving of West Fourth street. It was tried before Judge J. W. Peery of Albany, but was compromised during the process of the trial. The Cox case is the first one that has been appealed to a higher court.

BUTTE MINERS RETURN TO JOBS

Agitators Informed No More Disorder Will Be Tolerated.

NEWSPAPER OFFICES VISITED

Asked That Words "Mob" and "Rioters" Not Appear in Stories—Threats Made to Lynch Two Special Deputy Sheriffs—Arrested Men Released.

Butte, Mont., June 15.—Several hundred miners returned to work and there was little disorder following the riots.

A crowd took two prisoners out of the city jail and later took possession of an aerial fire truck, which they attempted to move through the crowd on a false alarm. The rioters climbed into the machine, but, being unable to run it, gave it back to the firemen after cautioning them not to attempt again to run through the crowd in the street.

Delegations went to two fire stations and told the firemen not to take machines from the buildings until they were certain there was a fire. The crowd followed the captured machine back to the station, broke several windows and did minor damage.

Threats of Lynching.

Threats were made to lynch Special Deputy Sheriffs Owen Cribben and Martin Harkins, but the officers were guarded by the police. Two men were arrested in connection with the riots by a squad of policemen on a charge of inciting a riot. The police with drawn revolvers backed down an alley with their prisoners beside the two special deputies and succeeded in getting safely to the jail, but the crowd became so menacing that Chief of Police Jere Murphy ordered that the two men arrested be released. The crowd carried them away on their shoulders.

The remainder of the day was spent in parading the streets until members of the newly appointed executive committee of the insurgent miners, constituting themselves a law and order committee, informed the agitators that no more disorder would be tolerated and succeeded in dispersing the gathering miners going to their homes.

A delegation visited the three newspaper offices and demanded that no further mention be made derogatory to the Industrial Workers of the World and that the words "mob" and "rioters" not appear in any newspaper story.

Return to Work.

The managers of the Speculator and Black Rock mines have agreed that the Western Federation card system shall be discontinued, and with this understanding several hundred men returned to work at these mines.

Governor Stewart arrived in Butte from Helena to investigate the situation. Calls had been sent to the capital for the militia, but the sentiment generally is opposed to bringing troops into Butte. The belief is prevalent that the situation is under control.

No arrests have been made in connection with the wrecking of the Casey home by dynamite. The house was damaged, but Casey, his wife and three children were uninjured. The police have been unable to find one of the insurgent miners reported to have taken $3,000 from the federation safe after it was dynamited by the insurgents while a crowd, estimated at 1,000, looked on from a distance.

Policemen in Crowd.

Policemen were in the crowd, but did not interfere with the dynamiters. Sheriff Timothy Driscoll attempted to interfere earlier, but he was choked and driven from the scene, together with the deputies he had with him.

Acting Mayor Frank Curran, who was thrown out of a window and sustained a broken leg and wrist while trying to pacify the mob which wrecked the federation headquarters, is resting easy in a hospital.

The riots were caused by long standing ill feeling between the regulars of the 9,000 members of the Western Federation of Miners here and the insurgents, principally members of the Industrial Workers of the World. The members with sentiments in favor of the Industrial Workers of the World objected to heavy assessments levied against them.

ERUPTION ON MOUNT LASSEN

Two More Violent Than Any That Have Gone Before Reported.

Redding, Cal., June 15.—Two eruptions, reported to be more violent than any that have gone before, occurred on Mount Lassen. The sixth eruption shot a huge column of dense black smoke, steam and ashes into the air. The pillar of smoke was watched from towns fifty miles distant.

A report has reached here that Hugh Graham of Manton was killed by the volcano during the eruption. Graham was caught in a torrent of descending ashes and cinders and buried. Another observer, who, with Graham, was seeking a closer view of the eruption, is said to have been seriously injured.

Generally Fair Weather This Week.

Washington, June 15.—Generally fair weather is forecast for the coming week, though it will be unsettled, with probably showers the first day or two for the Missouri valley eastward to the Atlantic coast. Toward the end of the week a disturbance is expected to develop in the extreme northwest.

TRUST LEGISLATION NOW UP IN SENATE

Little Doubt That Something of Sort Will Be Put Through.

Washington, June 15.—Senate leaders expect to begin the anti-trust debate this week.

There is little doubt that some sort of trust legislation will be put through the senate before any adjournment is taken. Even the proposal that a special session be called in November to take up such legislation is not likely to meet the views of the senate and the president, although most senators are anxious to get away and many believe that trust legislation at this time is not good for business or good for politics.

Majority Leader Underwood will continue his efforts to get the support of senators for his plan for a July adjournment, following the disposition of all appropriation bills. The primaries will be held in some of the states within a month and the representatives of those states want to be at home.

The Progressives in the house are looking forward to a conference soon between former President Roosevelt and leading members of the Progressive party, including the Progressives in congress. Mr. Roosevelt will be urged to carry the standard in New York himself as well as to be the candidate for president in 1916.

All three parties are counting upon sending the largest array of speakers possible to Maine, where the first election will be held in September.

While some of the house leaders are pressing early adjournment, the sponsors for big pending measures are insisting upon the legislation. The general dam bill and the five conservation bills are slated to follow the sundry civil appropriation bill, which may occupy all of this week and run over into the next. The dam bill provides that no dam shall be built upon a navigable stream without federal consent.

SALVATION ARMY IN LONDON

Delegates to World's Congress Parade Through Streets.

London, June 15.—The delegates to the world's congress of the Salvation Army, bearing the flags of all nations and with many of the delegates from native tribes wearing their national dress, marched through London to hold a great demonstration in Hyde park. The procession included many floats showing the activities of the Salvation Army. The large American contingent, with Miss Eva Booth at its head on horseback, was enthusiastically received.

Biggest Flag at St. Louis.

St. Louis, June 15.—An American flag 150 feet long and 78 feet wide, believed to be the biggest edition of the Stars and Stripes ever issued, was carried by 175 members of the Million Population club in the flag day parade on Lindell boulevard.

Two Killed by Lightning.

Huron, S. D., June 15.—George Freeman and son, Lee, of Hitchcock were struck by lightning while working in a field on their farm near Wessington, S. D., and both killed instantly.

Train Derailed; Thirty-five Injured.

Chaffee, Mo., June 15.—Thirty-five persons were injured when a St. Louis and San Francisco train from Memphis to St. Louis left the track near here.

Lewis Smith of Seattle, Wash., arrived in Maryville Saturday to visit with his daughter, Mrs. E. A. Wright of East Second street.

BUYS 350 STOCK STEERS.

Russ Bilby Makes Largest Purchase of the Week.

Russ Bilby, who has in this year on his farm in Nodaway county 4,200 acres of corn and hundreds of acres of choice blue grass pasture, made the largest individual cattle purchase here this week, says the Kansas City Drover Telegram.

Mr. Bilby has a custom of buying light weight stockers in the summer and grazing them till late in the fall and then feeding them out through the winter. His purchase here this week consisted of more than 350 head of this class of steers. They weighed as high as 750 pounds and as low as 500 pounds.

Mr. and Mrs. G. S. Lawson Home.

Mr. and Mrs. G. S. Lawson, who live ten miles northeast of Maryville, returned last week from an extended trip through Oklahoma and Texas. They visited their three daughters in Anadarko, Okla., relatives in Tulsa, Okla., and their son, T. J. Lawson, in Greenville, Texas. Mrs. Lawson has been gone since February, while Mr. Lawson left to join her about a month ago.

The Favorite of Your Favorite

TEN chances to one, your favorite ball-player smokes Tuxedo. We have scores of testimonials from the *crack men* of the *crack nines* all over the country, saying that they enjoy Tuxedo and recommending it to *you*.

Also—look around you the next time you pick out that soft seat in the bleachers or grandstand and see *how many* of your *neighbors* are packing their pipes with Tuxedo or rolling it into cigarettes.

Size up the men who are smoking and endorsing Tuxedo. They're *real men*, full of life and the joy of life.

Tuxedo
The Perfect Tobacco for Pipe and Cigarette

Tuxedo is in a class by itself. It has many imitators—but *in the pipe* it has no equal. It is made of the best selected Burley Tobacco, the finest that Kentucky grows, ripened, cured and aged until it has reached the tip-top of mildness, mellowness and sweetness. Then it is treated by the original "Tuxedo Process" which takes out all the sting so it *cannot possibly bite*—even if you should smoke it all day long.

You simply cannot buy better tobacco at any price. Try Tuxedo today. You will see why these men are so fond of it.

FALLING HAIR AND ITCHING SCALP

Needless—Use Parisian Sage.

Now that Parisian Sage can be had at any drug counter it is certainly needless to have thin, brittle, matted, stringy or faded hair. No matter how unsightly the hair, how badly it is falling, or how much dandruff, Parisian Sage is all that is needed. Frequent applications and well rubbed into the scalp will do wonders—it acts like magic. The hair roots are nourished and stimulated to grow new hair, itching scalp, dandruff and falling hair cease—your head feels fine. Best of all, the hair becomes soft, fluffy, abundant and radiant with life and beauty.

You will be surprised and delighted with Parisian Sage. Try at least one fifty-cent bottle from T. J. Parle. He will refund the purchase price if you are not satisfied.

BOMB EXPLODED IN ST. GEORGE'S

Militants Blamed for Desecration of London Edifice.

STAINED WINDOWS DAMAGED

Noted Painting, "The Last Supper," Escapes Unscathed, Though Window Above Is Splintered—Militants Cause a Disturbance In St. Paul's.

London, June 15.—Suffragettes are believed to be responsible for a bomb explosion in St. George's church, Hanover square. Coming so closely upon the bomb outrage in Westminster Abbey, the desecration of this famous edifice has increased alarm as to how far militant women intend to carry their outrages.

The caretaker of St. George's church had locked the church after an inspection on the conclusion of the evening service. A few minutes after 10 o'clock a passerby heard an explosion. Three pews and three stained windows were damaged by the explosion, while a pew immediately in front was wrecked.

The famous painting of the "Last Supper," by Sir James Thornhill, which hung over the altar, was not damaged, although the window above it was splintered.

Firemen found a tin box and pieces of a candle in the overthrown pew. A member of the congregation said the pew was occupied at the evening service by a woman in a checkered dress. An envelope was found in the church on which was written, "A protest against the torture of women."

St. George's church was built in 1713-24. It has long been a favorite church for fashionable weddings. Former President Roosevelt was married there in 1886.

While judges of the high courts and the lord mayor were attending service in St. Paul's cathedral, according to annual custom, several suffragettes interrupted with protests against the torture of women. Two women found chained to seats were removed. As they were carried out they shouted: "God save Mrs. Pankhurst!" A crowd overrun a platform in Hyde park, where a militant flag was raised, before four men, who were holding a meeting, were able to begin their speeches.

The police got the men to the station for protection with difficulty. Two meetings in Hyde park of non-militant suffragist organizations were broken up and it required a strong police force to quell the disturbances.

Queen Mary May Quit London.

Queen Mary has decided in case of further suffrage demonstrations in the vicinity of royalty to quit London abruptly and leave King George to finish the season alone, according to a source in close touch with the court and the government.

The queen is represented as being in a state of nervous tension as to when and where the next suffragette will appear. She, it is said, has no intention of allowing her existence to be made unhappy by those she habitually calls the "furies."

HUNT FOR MISSING BALLOON

Active Search for Springfield Still Continues In Oregon.

Portland, Ore., June 15.—Active search continued for the balloon Springfield, the only one still missing of four which started in the Portland race under the auspices of the Aero Club of America last Thursday. The fact that all of the three balloons which have come to earth were wrecked and that the Springfield was last seen hovering over the wild mountainous district which was the scene of the other disasters are regarded as ominous, and great anxiety is felt for Captain Roy Donaldson, the Springfield's pilot, and Wilburn Henderson of Portland, his passenger.

DAMAGED STEAMSHIP DOCKS

New York at Gotham Port With Gaping Hole In Its Side.

New York, June 15.—With more than 650 persons on board, the liner New York, with a gaping hole torn in its side, where the Hamburg-American liner Pretoria struck it in a fog off Nantucket, docked here.

The passengers, thankful at having escaped a disaster similar to that of the Empress of Ireland, held an impressive service of thanksgiving as the liner steamed into port. There was scarcely a dry eye among the congregation while "Nearer My God to Thee" was being sung.

TRAFFIC RULES ARE SIMPLE.

Many Accidents Could Be Avoided If Road Users Took Care to Observe Regulations.

Maryville has no traffic policemen, nor does she need them if the public will learn and take care to follow a few simple rules which are universally followed throughout the country. The growing number of motor cars on the streets make them more dangerous every day, and many accidents can be avoided if the following traffic rules are obeyed:

All automobiles and vehicles of every kind should keep to the right-hand side of the street at all times. This will give them the right of way, and if an accident does occur the other fellow will be to blame.

In passing anybody from behind always turn out to the left.

In turning a corner to the right make a short turn in order to keep close to the right-hand side of the street. In turning a corner to the left go past the center of the intersection of the two streets before making the turn.

Do not turn around in a crowded street. It is safer and almost as quick to drive around the block.

It is well to use hand signals to indicate which way you intend to turn a corner.

Speed regulations should always be obeyed and a warning sounded when approaching cross streets or in passing other vehicles from the rear.

Pedestrians should always look carefully in every direction before stepping from the sidewalk to the street.

Pedestrians should not cut diagonally across busy street corners.

If a pedestrian finds a car suddenly bearing down upon him it is generally better to stand still and let the car do the turning. One of the greatest bothers the motorist has is the person who dodges back and forth in any and every direction.

These rules are not hard to remember and will be of inestimable value if followed. They apply to country roads as well as city streets.

The person who does not know the rules of the road really has no business on a public highway, for he not only endangers himself but everybody else.

GRAHAM SILO INSTITUTE TODAY.

Experts Talk to Farmers—Basket Dinner and Music Complete the Program.

The Graham silo institute was being held today. The speakers, J. Kelley Wright and J. B. Gingery of the University of Missouri, were secured by the Graham Commercial club. Mr. Wright spoke this morning on "Silos and Silage." Mr. Gingery, who is an assistant in the veterinary department of the college of agriculture, talked this afternoon on "Hog Cholera, Its Prevention and Treatment."

The institute was held in a large tent erected for that purpose. Between sessions at noon a big basket dinner was eaten in the tent. Representatives from the different silo companies gave demonstrations of their silos.

TWO SUFFRAGE VICTORIES

Bring Demonstrations at Biennial Sessions at Chicago.

Chicago, June 15.—There were two suffrage demonstrations at the biennial of the General Federation of Women's clubs, both lasting between five and ten minutes, before order could be restored.

The announcement that the supreme court of Illinois had upheld the suffrage law in Illinois was greeted with uncontrollable applause. Mrs. Josephine V. Brower of St. Cloud, Minn., who was chairman of the meeting, read the following telegram:

"Suffrage wins. Illinois supreme court announces its decision holding the Illinois law constitutional. Women may vote for president and statutory offices. Sweeping victory for women."

The first demonstration over suffrage came when the general federation indorsed the cause of suffrage. The action was the result of a fight of four years by suffragists belonging to women's clubs.

The resolution reads:

"Whereas, the question of political equality of men and women is today a vital problem under discussion throughout the civilized world; therefore be it

"Resolved, That the General Federation of Women's clubs gives the cause of political equality for men and women its moral support by recording its earnest belief in the principle of political equality, regardless of sex."

Miss Clara Sturm left Sunday morning for Kansas City to be the guest of the bride-to-be and her sister, Miss Dora Romasser, while attending the wedding.

Homemakers Entertained.

Mrs. John Porter, Mrs. J. H. Thorp and Mrs. John Johnson entertained the Homemakers class of the Buchanan Street Methodist church Friday afternoon at the home of Mrs. Porter. The afternoon was taken up with informal sociability and a luncheon was served at 4 o'clock. Mrs. A. C. Hallam of Dallas, Texas, who is the guest of Mrs. Raymond Berry, and Mrs. Alvin Maul, were guests of the class members.

Dinner Party at Bainums.

Mr. and Mrs. G. P. Bainum entertained a party of relatives with a dinner Sunday, arranging the gathering in honor of their daughter, Miss Inez Bainum, who has just returned from Readville, N. C., where she has been teaching the past year. The dinner guests included Mr. and Mrs. E. H. Bainum and daughters, Maud and Anna; Mr. and Mrs. Stanton Garten and family of Pickering, Mr. and Mrs. Will Bainum and the family of G. P. Bainum.

Japanese Tea Great Success.

The Japanese tea given Saturday night by the Queen Esther Circle of the First Methodist church resulted in a goodly fund for the Circle benefit mission box. The affair was held at the home of Mr. and Mrs. R. S. Braniger, on North Buchanan street. The porch and rooms were attractive with Japanese lanterns and flags. Tea was served in the dining room by Miss Mabel Curnutt and Miss Greta Kemp, who were dressed as Japanese maids. A program was given which included a piano solo by Miss Amy Clark, readings by Miss Vijune Colden and Miss Mary Sewell and a duet by Miss Mabel Curnutt and Miss Mildred Bellows. Mrs. Braniger was assisted during the evening by Mrs. L. E. Dean, Mrs. J. M. Smith and Mrs. W. O. Garrett.

Mexico Refugee Now Recovering.

The Maryville friends of Mrs. Curtis Alexander will be glad to hear that she is recovering from her serious illness and is now well on the way to recovery. Mrs. Alexander and her son, Vernon, are at San Diego, Cal., with her parents, Mr. and Mrs. S. R. Beech and will remain there indefinitely. Mrs. Alexander's illness was caused by the exposure she was forced to endure while escaping from Mexico. She and her son were seized as prisoners of war by the rebels and taken from their home at San Luis Potosi to Mexico City, and it was through the efforts of the Brazilian and English consuls that their release was effected. They were taken on a special train to Puerqo and from there to New Orleans they made the trip on a boat which had been built for 155 people, but which carried 648 on this trip, and this made conditions of travel very bad. This is the third time the Alexanders have been driven from their home in Mexico, but they will return as soon as possible, for they left most of their valuables buried near their home and hope to be able to save them from the mobs.

Dinner Guests.

Miss Nelle Alkire and Mr. Joseph B. Saunders of this city were guests at a dinner given Sunday at the country home of Mr. and Mrs. R. L. Davis, near Bolckow.

Spent Sunday in Maryville.

Mr. and Mrs. Smiley Casteel of Ravenwood and Mr. and Mrs. Hubert Null of Casteel Ridge spent Sunday in Maryville visiting with the families of Cooper Gooden and Preston Seafers.

At Home for Mrs. Borders.

Mrs. N. L. Borders of St. Joseph, who is visiting at the home of Mrs. M. G. Tate, was the complimented guest of an informal afternoon Monday given by Mrs. E. L. Townsend at Terrace Place. The guests included Mrs. Borders, Mrs. Tate, Mrs. W. C. Ellison, Mrs. L. E. Forsyth, Mrs. Ferdinand Townsend, Mrs. Lavencour Michau, Miss Jeanette Tate, Miss Susie Ellison, Miss Elizabeth Turner and Miss Julia Tate.

Delightful Afternoon for D. A. R.

The Daughters of the American Revolution enjoyed one of their most pleasant meetings Saturday afternoon at the suburban home of the Embrees as the guests of Mrs. J. V. Embree and Miss Ethel Embree. The roadway from the city to the Embree home was blazed with flags, seven dozen being placed by Miss Brownie Toel, Miss Charlotte Wright, Miss Allie Jean Fraser and Miss Cecil Benight. The meeting was held on the veranda, which had been attractively decorated with bunting in the national colors and flags. A tent with spiked guns added to the picturesque scene. After the ritualistic service, a splendid program was given. Miss Mae Corwin told of how the flag was revered by foreign countries, and Miss Fraser followed with a reading of the flag law. Miss Orril Helwig gave an unusually interesting talk on the contemplated changes in the flag, and illustrated this by pictures of the flag as it would be with the changes. Mrs. Joseph Jackson, Jr., read a poem on the flag, and Mrs. D. J. Thomas gave a reading of the Declaration of Independence. The musical part of the afternoon included the singing of four partriotic songs, "America," "Star Spangled Banner," "Battle Hymn of the Republic" and "Hail Columbia." The invitation of the Elks to attend the Flag Day services Sunday was accepted, and the chapter agreed to attend in a body. The meeting then adjourned and the members were the guests of Mrs Embree and Miss Embree at a luncheon, served in the national colors. Four visiting Daughters, Miss Ruth Montgomery and her guest, Miss Harriett Sheets of Aurora, Ill.; Mrs. Charles Hudson of Norfolk, Neb., and Mrs. C. E. Coe, were complimentary guests of the chapter.

WHO WILL SUCCEED GENERAL HUERTA?

That is Quest on Troubling Mediators at Niagara Falls.

Washington, June 15.—Although admitting that Mexican mediation at Niagara Falls is now at its most critical stage, having reached the point where the personnel of the provisional government to succeed Huerta must be selected, Washington officials were nevertheless hopeful of ultimate peace and still insistent that negotiations were progressing satisfactorily.

Administration leaders were appreciative, however, of the importance of the developments of the next few days will have on the grave situation confronting the nations involved.

According to reports received the Huerta delegates and those from the United States differed on the names proposed and also as to the political character of candidates suggested. So far as could be learned the Washington administration still held to a desire that the provisional president should be a man acceptable to the Constitutionalists.

Names of various individuals were discussed, but on none was there a semblance of agreement.

At present the mediators have accomplished only one step in their journey toward the pacification of Mexico.

DANCE ON SQUARE

COBURNS ACT ANCIENT CUSTOM IN COURT YARD THIS NOON.

TONIGHT'S PLAY AT 8

C. D. Coburn Tells Normal Students Drama Should Be in University Curriculum.

Several hundred persons gathered at the west side of the court house this noon to see the Coburn Players give their Morris dances. Dressed in quaint costumes, with bells on their ankles, in their strange dances and with their simple folk-songs, they made an unusual sight on the streets of Maryville.

Their performance probably was without meaning to some, but it was a re-enactment of the ancient ceremony of "crying the banns," a custom used by the theatrical troupes of olden times when they need protection from the populace.

Upon arrival in a town of a theatrical troupe the members' first care was publicly to proclaim themselves in the market place the servants of the great lord whose coat of arms they displayed on their cloaks and banners. Possibility of the whipping post thus depleted, the next object was to attract a crowd to the forthcoming performance.

Their method of advertisement was rudimentary but effective. The crier proclaimed the intention to present a play, naming the play and its character. The two banner bearers in alternate stanzas recited briefly the story of the play. The crier announced the time and place of performance, and added a more or less glowing panegyric on the merits of the players.

The minstrels and dancers of the company concluded the proceedings with songs and dances designed to whet the appetites of the spectators for the actual performance to come.

In the performance of the Coburns this noon a crier announced in the intervals between dances and songs the three plays that they will give here, "Taming of the Shrew" this afternoon, "The Merchant of Venice" at 8 o'clock tonight, and "As You Like It" at 3:30 o'clock tomorrow afternoon. Preparations are made to give the plays in the Normal auditorium should storms prevent the giving or finishing of a performance out of doors.

C. D. Coburn, manager of the company, gave a talk this morning during the assembly hour at the Normal school. He presented his idea of the drama and the place which it holds as an educational factor.

"Plays are written to be acted," said Mr. Coburn, "and the chief value of a play is in the acting."

He went on to say that we, as a nation, have the wrong conception of a theatre—merely a place to pass away a few hours. The old Greek theater was their university. The drama and the theater, Mr. Coburn declared, should be a part of every state university's curriculum today, and should be endowed by the states.

S. S. BALL LEAGUE REORGANIZED.

Officers Elected at Meeting Sunday—Will Arrange Schedule Next Tuesday.

Representatives from the Maryville churches met Sunday afternoon to reorganize the Sunday School Base Ball league. L. M. Eek was elected president of the organization and Walter Wray secretary and treasurer. A meeting will be held Tuesday night to arrange a schedule for the summer.

In addition to the five Protestant churches of Maryville, Harmony church will be in the league, and the Methodist church of Pickering may join.

The persons who met yesterday afternoon were Rev. S. D. Harkness, Rev. R. L. Finch, Roy Curfman, Orlo Quinn and Walter Wray.

Millers Leave for Extended Trip.

Mr. and Mrs. George Miller of Sabetha, Kan., who have been in Maryville the past two weeks assisting in the work at the new Haines store, which opened June 6, left Sunday for a trip of several weeks via Chicago to the northern lakes, after which they will return to their home.

UNION SERVICES BEGIN JULY 19.

Program for Combined Sunday Evening Meetings of Maryville Churches.

At a meeting yesterday afternoon the ministers of the Protestant churches of Maryville made out the program for the Sunday evening union meetings. These meetings will begin July 19 and continue for five Sundays, the two Sundays during Chautauqua coming between the fourth and fifth Sundays of the meetings.

The services this summer will be held in the Franklin school yard, instead of the court house yard, as last year. Each of the five ministers will preach once. The school yard is to be fitted with a platform, seats and electric wiring to make everything comfortable and convenient.

The program as made out is:

July 19—Preacher, Rev. S. D. Harkness of the Presbyterian church; choir, Baptist.

July 26—Preacher, Rev. Gilbert S. Cox of the First Methodist church; choir, Presbyterian.

August 2—Preacher, Rev. L. M. Hale of the Baptist church; choir, Christian.

August 9—Preacher, Rev. R. L. Finch of the Christian church; choir, Buchanan Street Methodist.

August 16 and 23—Chautauqua.

August 30—Preacher, Rev. J. D. Randolph of the Buchanan Street Methodist church; choir, First Methodist.

A free will offering will be taken each evening to defray the expenses of the meetings.

JOHN M. NEAL DEAD.

Funeral Services of Old Settler Held Monday Afternoon.

The funeral services of John M. Neal, one of the best known residents of Polk township, who died Sunday morning, were held at 2 o'clock Monday afternoon at the Buchanan Street Methodist church, conducted by the pastor, Rev. J. D. Randolph. The pall bearers were Elias Orear, A. T. Stinson, James Bryan, Floyd Brown, Frank Mathes and J. H. Thorpe. The body was interred in Oak Hill cemetery.

Mr. Neal was a member of a family which is among the first settlers of Nodaway county, and whose men have been well established in the upbuilding of the country.

He was born in 1838 in Ohio and came with his father, Henry Neal, to this county when quite a boy. The family settled on a farm north of Maryville, which includes the tract of ground surrounding Neal's lake. This farm later became the home of John Neal, and he and his family lived there until a few years ago, when he came to Maryville and purchased a residence at 722 North Walnut street.

Until a few months ago Mr. Neal enjoyed good health and was able to actively look after business interests. At that time his health began to fail and he declined gradually until his death, early Sunday morning.

Mr. Neal was twice married, his second wife, who was Miss Ellen McClurg, surviving him. He leaves six children, Charles W. Neal of Pickering, John Neal and Mrs. Charles Gatton of Arkansas, Mrs. Alvin Pride of near Maryville and Melvin and Beulah Neal, who live at home.

MISS ANTHONY TO NEW YORK.

Domestic Science Teacher of the Normal Will Take Special Study This Summer.

Miss Hettie Anthony, head of the domestic science department of the Normal, has been granted leave of absence for the last half of the summer term and will spend the time in New York, doing advanced work in nutrition under Dr. Sherman of Columbia university, New York City. Miss Anthony will go with a party of friends from California, who will stop here enroute to New York.

Miss Jessie Mutz, who is a graduate of the home economics department under Miss Anthony, will take up the work in the absence of Miss Anthony. Miss Mutz has been teaching the past year at Hanford, Cal., and has been reemployed for the coming year at an increased salary. She will also be given an outdoor school room in which to teach and will be given extra apparatus and all magazines and books needed have been allowed by the board for the coming year.

Miss Mutz will arrive in Maryville Saturday.

Judge Sayler Away.

Judge J. H. Sayler left Monday morning for Spring View, Neb., to look after some business interests.

800 LISTEN TO FATHER GROWNEY READ HIS FIRST MASS.

NEPHEW GIVES DINNER

Many Relatives and Friends Welcome Father Growney at Public Reception in the Evening.

An audience of nearly 800 persons gathered at St. Patrick's Catholic church Sunday morning to attend the celebration of high mass, when the Rev. Father Lawrence Growney conducted his first religious service.

Relatives and friends from all over Nodaway county were present at the service, which began at 10 o'clock. Assisting the Rev. Father Growney were the Rev. Father Niemann, resident priest of St. Patrick's parish; the Rev. Father Robert Graham, who was ordained to the priesthood June 10 at the time Father Growney was ordained; Father Althons, Father Stephen and Father Frowin of the Conception church.

After the church service a dinner was served in the parish hall, to which 250 relatives and friends were invited. The dinner was given by Philip Growney of Clyde, an uncle of the Rev. Father Growney, in honor of his nephew. After the dinner the afternoon was given over to a reception, and congratulations and felicitations from the entire company were given to Rev. Father Growney.

The occasion was one of great moment to the people of St. Patrick's parish. Father Growney is a former Maryville boy, a son of P. L. Growney and a nephew of John Murrin of this city. He was ordained to the priesthood June 10 at Conception church, with an elaborate service that was attended by hundreds of people.

In the evening a public reception was given Father Growney which was attended by 500 friends. The children of the parish gave a short program and ice cream and cake were served to all.

Among the out-of-town relatives and friends attending were: Mrs. Katherine Welch of Oklahoma City, Okla.; John Owen Murrin of Atchison, Kan.; Mr. and Mrs. R. G. Cornelius of Des Moines, Ia.; Miss Mayme Gallagher of Minneapolis, Mr. and Mrs. John Parle of Fort Dodge, Ia.; Mr. and Mrs. Ed Allen, Maurice Egan and family, Robert Graham and family, Mrs. George Graham and family and Mr. and Mrs. Thomas Merrigan of Clyde, Mr. and Mrs. Charles Barmann of Arkoe, William Corcoran and family, William Merrigan and family, John Growney and family, Mr. and Mrs. Philip Growney, Lawrence Growney and family, Mr. and Mrs. Michael McGuinn and Mr. and Mrs. James McCann and family, all of Clyde.

COUNTY SCHOOLS

NODAWAY IS AT FRONT IN EDUCATIONAL MATTERS.

IS FIRST IN NUMBER

State Superintendent's Report Gives Figures For Year Ending June 30, 1913.

The sixty-fourth report of Missouri public schools has just been completed and sent out by State Superintendent William P. Evans. The report is for the year ending June 30, 1913, and it shows Nodaway county and Maryville to be well toward the front in school matters. Among other things the county is first in the number of schools with 167, fourth in number of approved schools, with 18.5 per cent of them approved, and twenty-second in school attendance, which is based on the enumeration.

In the apportionment of state school funds Nodaway county received a total of $21,110.17. Of this, $1,120.71 was for the aid of rural schools, $1,860 for unconditional aid to high schools whose work is not yet approved. This money will not be released until their work is approved. The rest of the fund is divided between the teachers and attendance quota.

The Maryville high school is in the first class. Last year the city enumeration was 1,212, and the enrollment was 927. The total days' attendance was 130,065, and the average daily attendance 722. The libraries of the city schools total 3,050 volumes, valued at $2,200. The high school library contains 1,750 volumes. The estimated value of school sites and buildings is $150,000, and of equipment $12,000. The assessed value of taxable property amounted to $1,790,000.

For the entire county the enumeration last year was 7,959. The total receipts for the year were $218,460.59. The expenditures were: Teachers' wages, $133,120; incidentals, $25,901.83; building purposes, $13,682.29; total, $172,704.12. This left a cash balance of $45,756.47 on hand July 1, 1913.

The assessed value of taxable property was $16,301,112. The average levy was 64 cents on each $100 of valuation.

The estimated value of school sites and buildings was $415,000; the grand total of receipts was $201,625, and the grand total expenditures $156,696.

The two wealthiest districts in the county were No. 82 and No. 83. The former had a valuation of $142,720 and a 40-cent levy, while the latter had a valuation of $120,875 and a 50-cent levy, and the second had a valuation of $35,269 and a 65-cent levy.

Mrs. Harper Ill.

Mrs. Arch Harper of North Main street was taken very seriously ill Saturday and was removed from her home to St. Francis hospital Monday morning. Her condition is very critical.

College Boy Home.

John Owen Murrin, who is attending college at Atchison, Kan., spent Sunday visiting his parents, Mr. and Mrs. John Murrin, and attending the reception given at St. Patrick's church Sunday to his cousin, Rev. Father Lawrence Growney.

FLAG DAY PROGRAM PATRIOTIC.

Audience Fills Empire Theater to Hear One of the Best Memorial Services Ever Given by the Elks.

The Elks' Flag Day program yesterday was attended by a large audience and was one of the best memorial services the lodge has ever held.

The Empire theater was filled, and the children, who had been given a special invitation to attend, packed the balcony. The Elks, D. A. R. and G. A. R. attended in a body and sat in sections reserved for them. The Maryville Concert band, lodge officers and speakers on the program were seated on the stage.

The theater was decorated with flags, the national and lodge colors, and elk heads, and the stage was banked with flags of all sizes. As the persons entered the theater they were given small American flags as souvenirs.

The program was given as arranged. The band played national airs, and the audience sang patriotic songs. George R. Ellison gave the record of the American flag, and George L. Wilfley gave "The Elks' Tribute to the Flag." The Rev. Robert L. Finch, pastor of the First Christian church, made the address of the afternoon. It was a patriotic speech concerning the flag and its meaning.

The program was closed with the singing of "America."

ALL STARS WIN, 11-3.

Even With Company F by Taking Second Game—Large Crowd Attended.

In the second game between the two teams, the All Stars won from Company F at Riffe's park yesterday by a score of 11 to 3.

The game was close and fast for the first six innings. The score then was 3 to 3. Then the All Stars got three men on bases and the next batter hit a long drive down the right field foul line. It was a close decision and the umpire called it fair. This let in four runs for the All Stars, and Company F went up in the air.

The rest of the game was rather loosely played and ended 11 to 3 in favor of the All Stars. A crowd of some 250 watched the game.

The feature of the day was Palmer's catch of a line drive off short and double play to first.

The batteries were. Company F, Palmer, Teaford, Howery and Wilson; All Stars, Ham and Crowder.

BURLINGTON JUNCTION WINS.

Maryville Pirates Lose Sunday by a Score of 4 to 3.

The Maryville Pirates lost a 4 to 3 ball game at Burlington Junction yesterday. The first four innings were fast and scoreless. Then Darling, with a three-base hit, brought in two runs for the Pirates.

In their half of the fifth inning Burlington Junction tied the score. The Pirates made their last run in the seventh on Tilson's single. The features of the game were five fast double plays, two by the Pirates and three by Burlington Junction. The score:

	R.	H.	E.
Pirates	11	3	3
Burlington Junction	7	3	4

Batteries—Pirates, Darling and Wiles; Burlington Junction, Hollister and Hankins.

REVERSES CASE

K. C. COURT RULES IN FAVOR OF MARYVILLE IN COX SUIT.

AFFECTS SEVEN OTHERS

Lawyers For Defense Have Not Yet Decided Whether to Carry Proceedings Further.

The Kansas City court of appeals, by a unanimous decision Saturday, reversed the decision of the Nodaway county circuit court in the case of the city of Maryville against John B. Cox et al. The case was for the enforcement of the payment of six paving bills against the Cox residence property, two lots, on East Second street. By the ruling of the appellate court, Mr. Cox must pay the bills. Seven other suits against property on the same street which are pending in the circuit court, will, by stipulation of the attorneys for both sides, be settled by the result of the decision in the Cox cases.

The attorneys for Mr. Cox have not yet seen the text of the appellate court's decision, and until they do they will not decide whether to accept it or carry the case further.

The city council, after passing the necessary resolutions and ordinances, on August 31, 1905, let a contract for the paving of Second street to J. C. Likes. He constructed the paving and it was accepted by the council August 27, 1906.

Filed for an Extension of Time.

John B. Cox then filed for an extension of time in the payment of the assessments against his property. Three bills against each lot, due at the end of the first, second and third years respectively, were made by the council. They were not paid, and one day before the legal time limit was up, a year from the date on which the last bill was due, the city of Maryville filed a suit against Mr. Cox.

The case was tried in the February, 1911 term of court before Judge A. B. Davis of Chillicothe, Judge Ellison having disqualified himself. It was continued until August 19, 1911, when Judge Davis decided in favor of the defendant. The plaintiff appealed to the Kansas City court of appeals and the case was argued there during the March term of court this year.

Court Reversed Decision Saturday.

Last Saturday the judges gave their decision. They reversed the circuit court's decision in six of the seven grounds alleged by the defendants as making the tax bills invalid, deciding them in favor of the plaintiff. The seventh, which was "That the curbing was not finished with a coat of neat cement, troweled and finished to a uniform surface and color throughout," the court found in favor of the defendant and ordered the items for curbing struck out of the assessments.

The assessment for curbing amounts to $20.63 against each lot, and the property owners will be relieved of that much of the bill, making the amount they will have to pay to the city $147.72 on each lot.

Besides the seven cases which will be decided by the result of the Cox cases, a number of other cases on this street and others probably will be decided because of the result of the same cases, as the questions controlling them are the same, and the proceedings are in the same form.

This is the third time that suits contesting the validity of paving bills have been brought up in Maryville. The first suit was in regard to the paving of Buchanan street, and it was decided in favor of the tax bills. The second suit arose over the paving of West Fourth street. It was tried before Judge J. W. Peery of Albany, but was compromised during the process of the trial. The Cox case is the first one that has been appealed to a higher court.

BUTTE MINERS RETURN TO JOBS

Agitators Informed No More Disorder Will Be Tolerated.

NEWSPAPER OFFICES VISITED

Asked That Words "Mob" and "Rioters" Not Appear in Stories—Threats Made to Lynch Two Special Deputy Sheriffs—Arrested Men Released.

Butte, Mont., June 15.—Several hundred miners returned to work and there was little disorder following the riots.

A crowd took two prisoners out of the city jail and later took possession of an aerial fire truck, which they attempted to move through the crowd on a false alarm. The rioters climbed into the machine, but, being unable to run it, gave it back to the firemen after cautioning them not to attempt again to run through the crowd in the street.

Delegations went to two fire stations and told the firemen not to take machines from the buildings until they were certain there was a fire. The crowd followed the captured machine back to the station, broke several windows and did minor damage.

Threats of Lynching.

Threats were made to lynch Special Deputy Sheriffs Owen Cribben and Martin Harkins, but the officers were guarded by the police. Two men were arrested in connection with the riots by a squad of policemen on a charge of inciting a riot. The police with drawn revolvers backed down an alley with their prisoners beside the two special deputies and succeeded in getting safely to the jail, but the crowd became so menacing that Chief of Police Jere Murphy ordered that the two men arrested be released. The crowd carried them away on their shoulders.

The remainder of the day was spent in parading the streets until members of the newly appointed executive committee of the insurgent miners, constituting themselves a law and order committee, informed the agitators that no more disorder would be tolerated and succeeded in dispersing the gathering, miners going to their homes.

A delegation visited the three newspaper offices and demanded that no further mention be made derogatory to the Industrial Workers of the World and that the words "mob" and "rioters" not appear in any newspaper story.

Return to Work.

The managers of the Speculator and Black Rock mines have agreed that the Western Federation card system shall be discontinued, and with this understanding several hundred men returned to work at these mines.

Governor Stewart arrived in Butte from Helena to investigate the situation. Calls had been sent to the capital for the militia, but the sentiment generally is opposed to bringing troops into Butte. The belief is prevalent that the situation is under control.

No arrests have been made in connection with the wrecking of the Casey home by dynamite. The house was damaged, but Casey, his wife and three children were uninjured. The police have been unable to find one of the insurgent miners reported to have taken $3,000 from the federation safe after it was dynamited by the insurgents while a crowd, estimated at 1,000, looked on from a distance.

Policemen in Crowd.

Policemen were in the crowd, but did not interfere with the dynamiters. Sheriff Timothy Driscoll attempted to interfere earlier, but he was choked and driven from the scene, together with the deputies he had with him.

Acting Mayor Frank Curran, who was thrown out of a window and sustained a broken leg and wrist while trying to pacify the mob which wrecked the federation headquarters, is resting easy in a hospital.

The riots were caused by long standing ill feeling between the regulars of the 9,000 members of the Western Federation of Miners here and the insurgents, principally members of the Industrial Workers of the World. The members with sentiments in favor of the Industrial Workers of the World objected to heavy assessments levied against them.

ERUPTION ON MOUNT LASSEN

Two More Violent Than Any That Have Gone Before Reported.

Redding, Cal., June 15.—Two eruptions, reported to be more violent than any that have gone before, occurred on Mount Lassen. The sixth eruption shot a huge column of dense black smoke, steam and ashes into the air. The pillar of smoke was watched from towns fifty miles distant.

A report has reached here that Hugh Graham of Manton was killed by the volcano during the eruption. Graham was caught in a torrent of descending ashes and cinders and buried. Another observer, who, with Graham, was seeking a closer view of the eruption, is said to have been seriously injured.

Generally Fair Weather This Week.

Washington, June 15.—Generally fair weather is forecast for the coming week, though it will be unsettled, with probably showers the first day or two for the Missouri valley eastward to the Atlantic coast. Toward the end of the week a disturbance is expected to develop in the extreme northwest.

TRUST LEGISLATION NOW UP IN SENATE

Little Doubt That Something of Sort Will Be Put Through.

Washington, June 15.—Senate leaders expect to begin the anti-trust debate this week.

There is little doubt that some sort of trust legislation will be put through the senate before any adjournment is taken. Even the proposal that a special session be called in November to take up such legislation is not likely to meet the views of the senate and the president, although most senators are anxious to get away and many believe that trust legislation at this time is not good for business or good for politics.

Majority Leader Underwood will continue his efforts to get the support of senators for his plan for a July adjournment, following the disposition of all appropriation bills. The primaries will be held in some of the states within a month and the representatives of those states want to be at home.

The Progressives in the house are looking forward to a conference soon between former President Roosevelt and leading members of the Progressive party, including the Progressives in congress. Mr. Roosevelt will be urged to carry the standard in New York himself as well as to be the candidate for president in 1916.

All three parties are counting upon sending the largest array of speakers possible to Maine, where the first election will be held in September.

While some of the house leaders are pressing early adjournment, the sponsors for big pending measures are insisting upon the legislation. The general dam bill and the five conservation bills are slated to follow the sundry civil appropriation bill, which may occupy all of this week and run over into the next. The dam bill provides that no dam shall be built upon a navigable stream without federal consent.

SALVATION ARMY IN LONDON

Delegates to World's Congress Parade Through Streets.

London, June 15.—The delegates to the world's congress of the Salvation Army, bearing the flags of all nations and with many of the delegates from native tribes wearing their national dress, marched through London to hold a great demonstration in Hyde park. The procession included many floats showing the activities of the Salvation Army. The large American contingent, with Miss Eva Booth at its head on horseback, was enthusiastically received.

Biggest Flag at St. Louis.

St. Louis, June 15.—An American flag 150 feet long and 78 feet wide, believed to be the biggest edition of the Stars and Stripes ever issued, was carried by 175 members of the Million Population club in the flag day parade on Lindell boulevard.

Two Killed by Lightning.

Huron, S. D., June 15.—George Freeman and son, Lee, of Hitchcock were struck by lightning while working in a field on their farm near Wessington, S. D., and both killed instantly.

Train Derailed; Thirty-five Injured.

Chaffee, Mo., June 15.—Thirty-five persons were injured when a St. Louis and San Francisco train from Memphis to St. Louis left the track near here.

Lewis Smith of Seattle, Wash., arrived in Maryville Saturday to visit with his daughter, Mrs. E. A. Wright of East Second street.

LARRY LAJOIE

"Tuxedo and I have been friends for years, and the longer I use it the better I like its mild, soothing effects."

The Favorite of Your Favorite

TEN chances to one, your favorite ball-player smokes Tuxedo. We have scores of testimonials from the *crack men* of the *crack nines* all over the country, saying that they enjoy Tuxedo and recommending it to *you*.

Also—look around you the next time you pick out that soft seat in the bleachers or grandstand and see *how many* of your *neighbors* are packing their pipes with Tuxedo or rolling it into cigarettes.

Size up the men who are smoking and endorsing Tuxedo. They're *real men*, full of life and the joy of life.

Tuxedo
The Perfect Tobacco for Pipe and Cigarette

Tuxedo is in a class by itself. It has many imitators—but *in the pipe* it has no equal. It is made of the best selected Burley Tobacco, the finest that Kentucky grows, ripened, cured and aged until it has reached the tip-top of mildness, mellowness and sweetness. Then it is treated by the original "Tuxedo Process" which takes out all the sting so it *cannot possibly bite*—even if you should smoke it all day long.

You simply cannot buy better tobacco at any price. Try Tuxedo today. You will see why these men are so fond of it.

FALLING HAIR AND ITCHING SCALP

Needless—Use Parisian Sage.

Now that Parisian Sage can be had at any drug counter it is certainly needless to have thin, brittle, matted, stringy or faded hair. No matter how unsightly the hair, how badly it is falling, or how much dandruff, Parisian Sage is all that is needed. Frequent applications and well rubbed into the scalp will do wonders—it acts like magic. The hair roots are nourished and stimulated to grow new hair, itching scalp, dandruff and falling hair cease—your head feels fine. Best of all, the hair becomes soft, fluffy, abundant and radiant with life and beauty.

You will be surprised and delighted with Parisian Sage. Try at least one fifty-cent bottle from T. J. Parle. He will refund the purchase price if you are not satisfied.

BOMB EXPLODED IN ST. GEORGE'S

Militants Blamed for Desecration of London Edifice.

STAINED WINDOWS DAMAGED

Noted Painting, "The Last Supper," Escapes Unscathed, Though Window Above Is Splintered—Militants Cause a Disturbance In St. Paul's.

London, June 15.—Suffragettes are believed to be responsible for a bomb explosion in St. George's church, Hanover square. Coming so closely upon the bomb outrage in Westminster Abbey, the desecration of this famous edifice has increased alarm as to how far militant women intend to carry their outrages.

The caretaker of St. George's church had locked the church after an inspection on the conclusion of the evening service. A few minutes after 10 o'clock a passerby heard an explosion. Three pews and three stained windows were damaged by the explosion, while a pew immediately in front was wrecked.

The famous painting of the "Last Supper," by Sir James Thornhill, which hung over the altar, was not damaged, although the window above it was splintered.

Firemen found a tin box and pieces of a candle in the overthrown pew. A member of the congregation said the pew was occupied at the evening service by a woman in a checkered dress. An envelope was found in the church on which was written, "A protest against the torture of women."

St. George's church was built in 1713-24. It has long been a favorite church for fashionable weddings. Former President Roosevelt was married there in 1886.

While judges of the high courts and the lord mayor were attending service in St. Paul's cathedral, according to annual custom, several suffragettes interrupted with protests against the torture of women. Two women found chained to seats were removed. As they were carried out they shouted: "God save Mrs. Pankhurst!" A crowd overrun a platform in Hyde park, where a militant flag was raised, before four men, who were holding a meeting, were able to begin their speeches.

The police got the men to the station for protection with difficulty. Two meetings in Hyde park of non-militant suffragist organizations were broken up and it required a strong police force to quell the disturbances.

Queen Mary May Quit London.

Queen Mary has decided in case of further suffrage demonstrations in the vicinity of royalty to quit London abruptly and leave King George to finish the season alone, according to a source in close touch with the court and the government.

The queen is represented as being in a state of nervous tension as to when and where the next suffragette will appear. She, it is said, has no intention of allowing her existence to be made unhappy by those she habitually calls the "furies."

HUNT FOR MISSING BALLOON

Active Search for Springfield Still Continues In Oregon.

Portland, Ore., June 15.—Active search continued for the balloon Springfield, the only one still missing of seven which started in the Pacific coast race under the auspices of the Aero Club of America last Thursday. The fact that all of the three balloons which have come to earth were wrecked and that the Springfield was last seen hovering over the wild mountainous district which was the scene of the other disasters are regarded as ominous, and great anxiety is felt for Captain Roy Donaldson, the Springfield's pilot, and Wilburn Henderson of Portland, his passenger.

DAMAGED STEAMSHIP DOCKS

New York at Gotham Port With Gaping Hole In Its Side.

New York, June 15.—With more than 650 persons on board, the liner New York, with a gaping hole torn in its side, where the Hamburg-American liner Pretoria struck it in a fog off Nantucket, docked here.

The passengers, thankful at having escaped a disaster similar to that of the Empress of Ireland, held an impressive service of thanksgiving as the liner steamed into port. There was scarcely a dry eye among the congregation while "Nearer My God to Thee" was being sung.

TRAFFIC RULES ARE SIMPLE.

Many Accidents Could Be Avoided if Road Users Took Care to Observe Regulations.

Maryville has no traffic policemen, nor does she need them if the public will learn and take care to follow a few simple rules which are universally followed throughout the country. The growing number of motor cars on the streets make them more dangerous every day, and many accidents can be avoided if the following traffic rules are obeyed:

All automobiles and vehicles of every kind should keep to the right-hand side of the street at all times. This will give them the right of way, and if an accident does occur the other fellow will be to blame.

In passing anybody from behind always turn out to the left.

In turning a corner to the right make a short turn in order to keep close to the right-hand side of the street. In turning a corner to the left go past the center of the intersection of the two streets before making the turn.

Do not turn around in a crowded street. It is safer and almost as quick to drive around the block.

It is well to use hand signals to indicate which way you intend to turn a corner.

Speed regulations should always be obeyed and a warning sounded when approaching cross streets or in passing other vehicles from the rear.

Pedestrians should always look carefully in every direction before stepping from the sidewalk to the street.

Pedestrians should not cut diagonally across busy street corners.

If a pedestrian finds a car suddenly bearing down upon him it is generally better to stand still and let the car do the turning. One of the greatest bothers the motorist has is the person who dodges back and forth in any and every direction.

These rules are not hard to remember and will be of inestimable value if followed. They apply to country roads as well as city streets.

The person who does not know the rules of the road really has no business on a public highway, for he not only endangers himself but everybody else.

GRAHAM SILO INSTITUTE TODAY.

Experts Talk to Farmers—Basket Dinner and Music Complete the Program.

The Graham silo institute was being held today. The speakers, J. Kelley Wright and J. B. Gingery of the University of Missouri, were secured by the Graham Commercial club. Mr. Wright spoke this morning on "Silos and Silage." Mr. Gingery, who is an assistant in the veterinary department of the college of agriculture, talked this afternoon on "Hog Cholera, Its Prevention and Treatment."

The institute was held in a large tent erected for that purpose. Between sessions at noon a big basket dinner was eaten in the tent. Representatives from the different silo companies gave demonstrations of their silos.

TWO SUFFRAGE VICTORIES

Bring Demonstrations at Biennial Sessions at Chicago.

Chicago, June 15.—There were two suffrage demonstrations at the biennial of the General Federation of Women's clubs, both lasting between five and ten minutes, before order could be restored.

The announcement that the supreme court of Illinois had upheld the suffrage law in Illinois was greeted with uncontrollable applause. Mrs. Josephine V. Brower of St. Cloud, Minn., who was chairman of the meeting, read the following telegram:

"Suffrage wins. Illinois supreme court announces its decision holding the Illinois law constitutional. Women may vote for president and statutory offices. Sweeping victory for women."

The first demonstration over suffrage came when the general federation indorsed the cause of suffrage. The action was the result of a fight of four years by suffragists belonging to women's clubs.

The resolution reads:

"Whereas, the question of political equality of men and women is today a vital problem under discussion throughout the civilized world; therefore be it

"Resolved, That the General Federation of Women's clubs gives the cause of political equality for men and women its moral support by recording its earnest belief in the principle of political equality, regardless of sex."

Miss Clara Sturm left Sunday morning for Kansas City to be the guest of the bride-to-be and her sister, Miss Dora Romasser, while attending the wedding.

Homemakers Entertained.

Mrs. John Porter, Mrs. J. H. Thorp and Mrs. John Johnson entertained the Homemakers class of the Buchanan Street Methodist church Friday afternoon at the home of Mrs. Porter. The afternoon was taken up with informal sociability and a luncheon was served at 4 o'clock. Mrs. A. C. Hallam of Dallas, Texas, who is the guest of Mrs. Raymond Berry, and Mrs. Alvin Maul, were guests of the class members.

Dinner Party at Bainums.

Mr. and Mrs. G. P. Bainum entertained a party of relatives with a dinner Sunday, arranging the gathering in honor of their daughter, Miss Inez Bainum, who has just returned from Readville, N. C., where she has been teaching the past year. The dinner guests included Mr. and Mrs. E. H. Bainum and daughters, Maud and Anna; Mr. and Mrs. Stanton Garten and family of Pickering, Mr. and Mrs. Will Bainum and the family of G. P. Bainum.

Japanese Tea Great Success.

The Japanese tea given Saturday night by the Queen Esther Circle of the First Methodist church resulted in a goodly fund for the Circle benefit mission box. The affair was held at the home of Mr. and Mrs. R. S. Braniger, on North Buchanan street. The porch and rooms were attractive with Japanese lanterns and flags. Tea was served in the dining room by Miss Mabel Curnutt and Miss Greta Kemp, who were dressed as Japanese maids. A program was given which included a piano solo by Miss Amy Clark, readings by Miss Vijune Colden and Miss Mary Sewell and a duet by Miss Mabel Curnutt and Miss Mildred Bellows. Mrs. Braniger was assisted during the evening by Mrs. L. E. Dean, Mrs. J. M. Smith and Mrs. W. O. Garrett.

Mexico Refguee Now Recovering.

The Maryville friends of Mrs. Curtis Alexander will be glad to hear that she is recovering from her serious illness and is now well on the way to recovery. Mrs. Alexander and her son, Vernon, are at San Diego, Cal., with her parents, Mr. and Mrs. S. R. Beech and will remain there indefinitely. Mrs. Alexander's illness was caused by the exposure she was forced to endure while escaping from Mexico. She and her son were seized as prisoners of war by the rebels and taken from their home at San Luis Potosi to Mexico City, and it was through the efforts of the Brazilian and English consuls that their release was effected. They were taken on a special train to Puerqo and from there to New Orleans they made the trip on a boat which had been built for 155 people, but which carried 648 on this trip, and this made conditions of travel very bad. This is the third time the Alexanders have been driven from their home in Mexico, but they will return as soon as possible, for they left most of their valuables buried near their home and hope to be able to save them from the mobs.

Dinner Guests.

Miss Nelle Alkire and Mr. Joseph B. Saunders of this city were guests at a dinner given Sunday at the country home of Mr. and Mrs. R. L. Davis, near Bolckow.

Spent Sunday in Maryville.

Mr. and Mrs. Smiley Casteel of Ravenwood and Mr. and Mrs. Hubert Null of Casteel Ridge spent Sunday in Maryville visiting with the families of Cooper Gooden and Preston Seafers.

At Home for Mrs. Borders.

Mrs. N. L. Borders of St. Joseph, who is visiting at the home of Mrs. M. G. Tate, was the complimented guest of an informal afternoon Monday given by Mrs. E. L. Townsend at Terrace Place. The guests included Mrs. Borders, Mrs. Tate, Mrs. W. C. Ellison, Mrs. L. E. Forsyth, Mrs. Ferdinand Townsend, Mrs. Lavencour Michau, Miss Jeanette Tate, Miss Susie Ellison, Miss Elizabeth Turner and Miss Julia Tate.

Delightful Afternoon for D. A. R.

The Daughters of the American Revolution enjoyed one of their most pleasant meetings Saturday afternoon at the suburban home of the Embrees as the guests of Mrs. J. V. Embree and Miss Ethel Embree. The roadway from the city to the Embree home was blazed with flags, seven dozen being placed by Miss Brownie Toel, Miss Charlotte Wright, Miss Allie Jean Fraser and Miss Cecil Benight. The meeting was held on the veranda, which had been attractively decorated with bunting in the national colors and flags. A tent with spiked guns added to the picturesque scene. After the ritualistic service, a splendid program was given. Miss Mae Corwin told of how the flag was revered by foreign countries, and Miss Fraser followed with a reading of the flag law. Miss Orril Helwig gave an unusually interesting talk on the contemplated changes in the flag, and illustrated this by pictures of the flag as it would be with the changes. Mrs. Joseph Jackson, Jr., read a poem on the flag, and Mrs. D. J. Thomas gave a reading of the Declaration of Independence. The musical part of the afternoon included the singing of four partriotic songs, "America," "Star Spangled Banner," "Battle Hymn of the Republic" and "Hail Columbia." The invitation of the Elks to attend the Flag Day services Sunday was accepted, and the chapter agreed to attend in a body. The meeting then adjourned and the members were the guests of Mrs Embree and Miss Embree at a luncheon, served in the national colors. Four visiting Daughters, Miss Ruth Montgomery and her guest, Miss Harriett Sheets of Aurora, Ill.; Mrs. Charles Hudson of Norfolk, Neb., and Mrs. C. E. Coe, were complimentary guests of the chapter.

WHO WILL SUCCEED GENERAL HUERTA?

That is Quest on Troubling Mediators at Niagara Falls.

Washington, June 15.—Although admitting that Mexican mediation at Niagara Falls is now at its most critical stage, having reached the point where the personnel of the provisional government to succeed Huerta must be selected, Washington officials were nevertheless hopeful of ultimate peace and still insistent that negotiations were progressing satisfactorily.

Administration leaders were appreciative, however, of the importance of the developments of the next few days will have on the grave situation confronting the nations involved.

According to reports received the Huerta delegates and those from the United States differed on the names proposed and also as to the political character of candidates suggested. So far as could be learned the Washington administration still held to a desire that the provisional president should be a man acceptable to the Constitutionalists.

Names of various individuals were discussed, but on none was there a semblance of agreement.

At present the mediators have accomplished only one step in their journey toward the pacification of Mexico.

DAILY BULLETIN

No. 57. Maryville, Mo. Monday, June 15, 1914.

TRAFFIC RULES ARE SIMPLE.

Many Accidents Could Be Avoided If Road Users Took Care to Observe Regulations.

Maryville has no traffic policemen, nor does she need them if the public will learn and take care to follow a few simple rules which are universally followed throughout the country. The growing number of motor cars on the streets make them more dangerous every day, and many accidents can be avoided if the following traffic rules are obeyed:

All automobiles and vehicles of every kind should keep to the right-hand side of the street at all times. This will give them the right of way, and if an accident does occur the other fellow will be to blame.

In passing anybody from behind always turn out to the left.

In turning a corner to the right make a short turn in order to keep close to the right-hand side of the street. In turning a corner to the left go past the center of the intersection of the two streets before making the turn.

Do not turn around in a crowded street. It is safer and almost as quick to drive around the block.

It is well to use hand signals to indicate which way you intend to turn a corner.

Speed regulations should always be obeyed and a warning sounded when approaching cross streets or in passing other vehicles from the rear.

Pedestrians should always look carefully in every direction before stepping from the sidewalk to the street.

Pedestrians should not cut diagonally across busy street corners.

If a pedestrian finds a car suddenly bearing down upon him it is generally better to stand still and let the car do the turning. One of the greatest bothers the motorist has is the person who dodges back and forth in any and every direction.

These rules are not hard to remember and will be of inestimable value if followed. They apply to country roads as well as city streets.

The person who does not know the rules of the road really has no business on a public highway, for he not only endangers himself but everybody else.

GRAHAM SILO INSTITUTE TODAY.

Experts Talk to Farmers—Basket Dinner and Music Complete the Program.

The Graham silo institute was being held today. The speakers, J. Kelley Wright and J. B. Gingery of the University of Missouri, were secured by the Graham Commercial club. Mr. Wright spoke this morning on "Silos and Silage." Mr. Gingery, who is an assistant in the veterinary department of the college of agriculture, talked this afternoon on "Hog Cholera, Its Prevention and Treatment."

The institute was held in a large tent erected for that purpose. Between sessions at noon a big basket dinner was eaten in the tent. Representatives from the different silo companies gave demonstrations of their silos.

TWO SUFFRAGE VICTORIES

Bring Demonstrations at Biennial Sessions at Chicago.

Chicago, June 15.—There were two suffrage demonstrations at the biennial of the General Federation of Women's clubs, both lasting between five and ten minutes, before order could be restored.

The announcement that the supreme court of Illinois had upheld the suffrage law in Illinois was greeted with uncontrollable applause. Mrs. Josephine V. Brower of St. Cloud, Minn., who was chairman of the meeting, read the following telegram:

"Suffrage wins. Illinois supreme court announces its decision holding the Illinois law constitutional. Women may vote for president and statutory offices. Sweeping victory for women."

The first demonstration over suffrage came when the general federation indorsed the cause of suffrage. The action was the result of a fight of four years by suffragists belonging to women's clubs.

The resolution reads:

"Whereas, the question of political equality of men and women is today a vital problem under discussion throughout the civilized world; therefore be it

"Resolved, That the General Federation of Women's clubs gives the cause of political equality for men and women its moral support by recording its earnest belief in the principle of political equality, regardless of sex."
